VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Our Journey:

- ❑ Founded by Mr. Venkat Prasad in 1990 in a modest way, VVC today has emerged as a pioneer and one of the largest panel integrators & solution provider for electrical systems, Instrumentations and automation.
 - ❑ We thank our valuable customers for giving us an opportunity to excel globally by recognizing our strengths & capabilities.
 - ❑ Spread across a total of 2,00,000sqft. built up area across 5 business units located in proximity for ease of execution and control.
 - ❑ Additional facility of 3 Acres land with built up area of 30,000 Sq feet is ready for operations to enhance the capacity.
 - ❑ Achieved Sales Numbers > 1 BINR
-

Facility Tour

Main Units

Associated Units

UNIT-1

- Registered Works & Office
- Totally Type Tested IEC 61439 Cabinets

UNIT-2

- Panels-LV,MV, Control & Protection automation, VFD and APFC Cabinets etc.

UNIT-3

- Extended Facility for Totally Type Tested IEC 61439 Cabinets.

UNIT-4

- Containers, Skids
- E-Houses
- Compact Sub Stations
- Air Insulated Bus Ducts

Akshaya Industries
Sheet Metal Processing

Anatech Ultracoaters
Powder Coating Facility

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Unit 1 → IEC 61439 TT Cabinets

Unit 2 → Customized Cabinets

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Unit 3:-

Extended Facility for Totally Type Tested IEC 61439 Cabinets

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Unit 4:- New Facility for E-House,containers & Heavy Metal fabrication.

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Business Certifications & Compliance

- ISO QMS 9001-2015
- ISO EMS 14001 :2015
- ISO OSHAS 45001:2018

ASSOCIATIONS

- **ABB** channel partner for Medium Voltage Breakers.
 - **Schneider** channel Partner for Blok set Cabinets and IMCC Integration.
 - **Lauritz & Knudsen (L&T)** Channel Partner for Ti Cabinets.
 - **Siemens VAR** Partners for Numerical Relays.
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

Strengths & Core Competence

- ❑ We provide **end to end** solution for complete electrical Instrumentation, Control & Protections, Automations packages.
 - ❑ Complete In House Facility for Design & Engineering, Sheet metal Processing, Painting, Wiring, FAT & After sales support.
 - ❑ Executing Global Projects with IEC Standards and certifications like CSA, UL,CE, Gost & RITE Certifications Etc.
 - ❑ Design and Engineering Competence for various Applications.
 - ❑ Competent Professionals with rich Experience.
 - ❑ **Emphasis On Timely Delivery / Post Sales support**
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

- ❑ In House facility for Design , Engineering with Auto CAD, Solid Works & E-plan.
 - ❑ Highly Reputed Tools & Tackles and Test & measuring equipment's.
 - ❑ Full fledged infrastructure with high accuracy NC & CNC machinery.
 - ❑ CMM (Robotic Arm) Measuring Capabilities to maintain the Repeatability of the Product.
 - ❑ NABL Accredited Specialized Welders for 1G-5G Welding Positions.
 - ❑ Versatile with APQP Process & PPAP Documents.
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

PRODUCT PORTFOLIO

Medium Voltage

- MV Switch Gear Panel up to 33kV
 - LASCPT Panel
 - Neutral Grounding Panel
 - Load Break Switch Panel
 - MV Capacitor Panel
 - Compact Sub Station upto 33kV
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

PRODUCT PORTFOLIO

Low Voltage

- Power Control Centre
 - Motor Control Centre
 - Drawout MCC & PCC
 - Power distribution Board
 - Intelligent Motor Controls Centre
 - Automatic Power Factor Controller Panel
 - Sub Distribution Boards
 - VFD and Soft Starter Panels
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

PRODUCT PORTFOLIO

Control & Protection

- Generator Relay Protection Panel
 - Transformer Relay Protection Panel
 - Line Relay Protection Panel
 - Feeder Relay Protection Panel
 - DG/Motor Relay Protection Panel
 - Busbar Protection Panel
 - Synchronizing Panels (DG / TG)
-

VEEVEE CONTROLS PVT LTD

“Single Point Contact for Power, Control and Automation Solutions”

PRODUCT PORTFOLIO

Automation Panels

- PLC Based TG Governing Panel
- PLC Based Automation System for PROCESS Application
- Supervisory Control & Data Acquisition System (SCADA)

Container Solutions & Skids

- Photo Voltaic Compact Station For SOLAR – 1 TO 10MW
 - E-House for MV/LV Panels
 - SKID for various applications LIKE TG/Generator Lube System/Energy Storage System/DG Sets.
-

Infrastructure Excellence

- ❑ Fully equipped **Office and Factories** with seamless internet and intranet connectivity for effective internal / external communication

 - ❑ Complete In-House facilities for Design, Engineering, fabrication, Integration, Wiring & testing.

 - ❑ Energetic work force employing 300 personnel to support customers for Sales, Engineering & Design , Production , Commissioning & Post sales support for our products & systems

 - ❑ ERP based real time **Production Planning & Control** of activities to monitor & ensure **ON TIME DELIVERY**
